

Relatório de Progresso

[Relatório de Progresso Lacrado com Sucesso a 31-01-2017]

Informação:

Qualquer dúvida relacionada com o preenchimento do Formulário de Relatório de Progresso, por favor consulte o link "Notas e Informações", Relatórios Científicos de Progresso.

Atenção:

- A sessão expira ao fim de **20 minutos** de inatividade!
- O formato da data a utilizar é **dd-mm-yyyy**

Nota para Projectos com a referência PEst:

A equipa que figura neste relatório de progresso resulta do cruzamento das equipas atualizadas à data de **31.12.2009** e **31.12.2011** e das alterações (inclusão/exclusão de elementos e alterações de %) solicitadas pelos beneficiários no decurso do ano de 2012. Brevemente será solicitada às instituições de I&D a atualização da equipa nos moldes habituais, motivo pelo qual não é imperativo o preenchimento/atualização dos campos editáveis do formulário de progresso relativos à equipa de investigação.

Formulário Relatório de Progresso - Componente Científica

Relatório de Progresso nº 1

Período a que o relatório diz respeito:

Data de início: 01-01-2016

Data de fim: 31-12-2016

1. Identificação do Projecto

Referência do Projecto: UID/CED/00194/2013

Investigador Responsável: Maria Helena Almeida Beirão de Araújo e Sá

Instituição Proponente: Universidade de Aveiro (UA)

Data de Início: 01-01-2016 **Data de Fim:** 31-12-2017

Financiamento Concedido: € 200.000,00

2. Resumo dos Trabalhos Desenvolvidos e Desvios à Proposta aprovada

Resumo dos trabalhos

Descreva de forma breve as actividades desenvolvidas **no período em apreço** e os resultados alcançados. Referia-se em concreto às tarefas que tiveram execução no período a que o relatório respeita.

Activities were organized following the priorities & main actions of the Restructuring Plan (RP). A tool for the monitoring of the RP was built (Annex 1 -A1). The following transversal actions (involving all the 4 Research Groups (RG) & 8 Labs), framed by CIDTFF mission & epistemological framework (see RP), are emphasized (see A3, A4 & A5 for detailed results; we illustrate only a few examples):

A. Reinforcement of a strong & active coordination of the RU management structures (eg weekly coordination meetings; monthly Permanent Scientific Committee meetings; revision of the RU Regulations)
 B. Development of activities to engage researchers, attracting them to the CIDTFF project & thus contributing to tune the articulation of research
 1) RG & Labs Strategic Plans (SP) (A2)
 2) internal seminars of the RG & Labs
 3) Research Dissemination Strategy (A2)
 4) meetings to prepare applications for R&D projects (26 in preparation, dec.)
 5) communication channels (FB, blog, weekly flashnews newsletter, website, flyer; all info available @ www.ua.pt/cidtff)

6) short UnderInvestigation Psicologia&Educação talks which articulate students from initial, post-graduate & postdoctoral studies

C. Development of monitoring actions & tools
 1) monitoring instruments (Lab_SuA)
 2) scientific production platform & bibliometric analysis (A3)
 3) monitoring funding & related outputs.

D. Investment in researchers' capacitation & attracting young researchers
 1) Training Plan: workshops oriented towards research skills updating (eg workshop "Análise de Conteúdo com e sem software")
 2) funding for internships & scientific seminars (eg Summer School "Vespucci Initiative")
 3) scientific jobs (6 eligible researchers, D-L 57-2016) & postdoctoral fellowships (11 underway)
 4) Scholarship Student Kit & Scholarship Student Tutor (www.ua.pt/cidtff/page/21435).

E. Enhancement of internationalization & networks
 1)international R&D projects (19 ongoing)
 2)international scientific events (28 - A4; eg AIA-CTS; VSIACS; ISQR2017; CISPEE2016)
 3)communications & publications within international co-authorships (113 - A3)
 4)reinforcement of (inter)national networks (eg AIA-CTS, Literacy Network, RESMI, SNIPI)
 5)researchers' mobility funding
 6)projects & workshops focused on Higher Education internationalization policies & practices (eg Internacionalização do currículo; Cooperação internacional para o Desenvolvimento em Educação em Ciências; A4)
 7)collaboration with Portuguese-speaking partners in research, training (eg Project "Formar Mais - Formação Contínua de Professores em Timor-Leste"; A5) & young researchers' education (eg collaboration with ISCED-Angola: master & PhD); study of impact assessment ISCED Lubango, Silva-Lopes, 2016; A3)
 8)international doctoral students (59, PhD Education; 16, PhD Multimedia in Education)
 9)joint international supervision of PhD & postPhD students (17)
 10)international dissemination of CIDTFF: flashnews, PanEuropeanNetwork's Horizon2020 project portal, <http://www.horizon2020publications.com/H13/#74>

F. Increase scientific production quality & accessibility
 1)list of reference journals (A1 - RG's SP)
 2)publication guide (www.ua.pt/cidtff/file/43864)
 3) training workshop (eg "Processo de construção e avaliação de artigos", A4)
 4)funding to support translation, international co-authoring & journal publication charges
 5)articulation of researchers' funding with scientific production results
 6)open science strategy (eg articulation between CIDTFF scientific production platform & the University's open repository; investment in research-oriented social networks: ORCID, ResearchGate, etc)
 7)consolidation of editorial policy (journal Indagatio Didactica, 5 numbers 2016)
 See section 4 & A3 for the results. We highlight 106 papers indexed in WoS, Scopus & Qualis.

G. Increment of competitiveness & diversity in fundraising
 1)strategy to encourage & support researchers' submission of projects (13 initiated; 26 in preparation for dec.)
 2)increase in diversity of funding sources (only 1 of the 13 initiated projects is funded by the FCT)

H. Dissemination of results among users & promotion of technological & scientific culture
 1)Dissemination Strategy, in articulation with CIDTFF RG & Labs (A2)
 2)organization of scientific events: 28 international, 21 national (A4)
 3)engagement in extension & dissemination activities (143) aimed at different audiences: teachers & trainers, students (all levels), academic community, public, city mayors, caregivers, etc (eg School Libraries Network, CIEC, www.ciec.vnb.pt; A4)

Commitment with the social appropriation of science & public policies
 1) topics related with societal challenges (eg intercomprehension, plurilinguism, interculturality, sustainability, diversity, inclusion, multiliteracies, etc), involving diversified audiences (eg Over23, minorities, vulnerable groups, the elderly) & developed through transdisciplinary approaches, in articulation with social actors (municipalities, schools, crèches, cultural agents...); A3.
 2) participation in Rede de Cátedras CTS I of the OEI, www.oei.es/historico/ctsdocprog.htm
 3) studies on the impact (local, regional & (inter)national) of research, training & public policies (eg "Intercomprehension & Sustainability: what impact on the educational community?"; Almeida, Fernández et al, 2016; Silva-Lopes, Costa & Matias, 2016; Oliveira & Pombo, 2016)
 4) development of didactical & formative models, strategies & resources (eg Santos & Teixeira, 2016; Carvalho et al, 2016; Neri-de-Sousa, Costa, Moreira, Neri-de-Souza & Freitas, 2016)
 5) articulation between research & training (ccTIC-UA; Jornadas do LALE; A4)
 6) articulation with public policies (inter)national (eg translation of the Common European Framework of Digital Competences with EU partners & the Ministry of Education; Pedagogical Guidelines 0-3 year-old children (commissioned by the Ministries of Education & of Solidarity, Work & Social Security; Paixão, Sena & Quevedo, 2016)

Desvios à Proposta Aprovada

Se tiver havido desvios à proposta aprovada, quer do ponto de vista científico como financeiro, aponte os desvios e justifique-os. Se teve dificuldades na execução do plano de trabalhos aprovado, identifique-os e indique de que modo pretende ultrapassá-los.

Se no período em apreço tiver informado a FCT sobre alteração orçamental inter-rubricas (necessitem ou não de autorização por parte da FCT), indique aqui o motivo.

Although the start date of the project was indicated as 01-01-2016 following FCT guidelines, it should be noted that the PR was only signed in May '16 & its dissemination in researchers' plenary only took place June 16. Thus, the starting date of this plan in January 2016 is purely formal, for it was impossible to negotiate for postponement with FCT. This delay mainly influenced the activity of Thematic Strands: the decision taken in the PR was to articulate the 2 Thematic Strands in one single project ("Intercomprehension & Sustainability: what impact on the educational community?"), in order to expedite the study & make it feasible within the established deadline & significantly reduced budgets compared to the initial proposal submitted by the RU in 2013 (Strategic Plan 2015-2020).

3. Publicações

Apenas para o período a que respeita o Relatório de Progresso, indique trabalhos apresentadas ou aceites para publicação ou apresentação, e trabalhos submetidos no período a que o relatório respeita.

A informação pretendida neste campo é inserida em formato livre. Para cada publicação deve ser indicada a seguinte informação:

- Descrição, contendo os seguintes elementos:
 - Em livros ou monografias: autor(es), título, número e/ou identificação da edição, número do volume, lugar da publicação, número de páginas;
 - Em revistas científicas: autor(es), título, título da revista, lugar da publicação, número do volume, número da primeira e última página;
 - Em artigos ou abstracts de comunicações científicas ou outras participações de índole científica em congressos internacionais ou nacionais: autor(es), título do artigo ou comunicação, nome da publicação, volume, número de páginas;
- Estado, indicando a situação:
 - Publicado/Apresentado;
 - Aceite para publicação/apresentação;
 - Submetido.

Nos trabalhos aceites para apresentação ou publicação, a data de aceitação deve ser indicada no campo descrição.

Nota em 22-11-2011: Para os trabalhos que tenham sido publicados ou apresentados deve ser indicado o URL onde o mesmo possa ser consultado, devendo este URL ser mantido pelo mesmo período do dossier de projecto.

Exemplos:
