

FIRST CALL OF THE ADVANCED COURSE

“How to work with ecotoxicology data – hands on course”

18 and 25 of January 2019; 1, 8 and 15 of February 2019

Department of Biology & CESAM, University of Aveiro

(Aveiro, Portugal)

Aim

The present advanced course offers training on **ecotoxicology data analysis** (exposure, hazard, mixtures, bioaccumulation, toxicokinetics), from the basic principles towards multivariate data analysis and modelling.

Registration

Number of participants: 15, on a “first come, first served” basis. Registration by email: ecotoxcourses@gmail.com.

Applications deadline: **11 January 2019**

Registration fee: free for UA PhD students; 100 € for all other participants.

Lecturers

Nazaret González; A. Rita Silva; Rui Morgado; Maria Pavlaki; Roberto Martins; Susana Loureiro

Contact

If you have further questions, please contact: Nazaret González, nazaret.gonzalez@ua.pt

The present advanced course is organized in the context of the R&D projects: **GLOBALTOX** (Marie Skłodowska-Curie Grant Agreement No. 704332), **METOXCLIM** (POCI-01-0145-FEDER-029557), **EMPHASIS** (POCI-01-0145-FEDER-031180), **ECOCENE** (POCI-01-0145-FEDER-032471), **SMARTAQUA** (Grant Agreement No. 728053 - MarTERA, ERA-NET-H2020), **Exposure and bioaccumulation assessment of anti-fouling nanomaterials in marine organisms from temperate and tropical waters** (FCT-CAPES).
